

SOMERVILLE YMCA Newsletter

Happy New Year!

Hello Families

As we move further into the school year, we're excited to share that things are going really well here at the Somerville YMCA! Our days have been filled with energy, curiosity, and lots of smiles. It's been wonderful to see students settling into their routines, building new friendships, and growing more confident with each passing week.

From homework help and enrichment activities to gym games and creative projects, our kids are staying active, engaged, and—most importantly—having fun. The laughter echoing through our halls is a daily reminder of what makes our Y community so special.

We also had a fantastic February Vacation Week! Students enjoyed exciting field trips to Boston Bowl and Funworld, where there were plenty of smiles and memorable moments. Our younger group had a wonderful Spanish Fun Day with Ms. Esther Gomez and topped off the week with a glowstick dance party that truly lit up the room.

In addition, we recently held a special "Little Buddy" activity where our older students partnered with a Pre-K child for a Winter Olympics-themed art project. As part of our Olympic activities, buddies worked together to create winter sports-inspired artwork while learning about teamwork, sportsmanship, and the spirit of the Winter Games. It was heartwarming to see the leadership, kindness, and collaboration on display as friendships formed across age groups.

Thank you for being such an important part of our YMCA family. We're looking forward to all the learning, growth, and joyful moments still to come this year!
