Corporate & Community Partnership Opportunities

The Somerville YMCA values partnerships with local businesses and organizations that believe in strengthening the health and well-being of the Somerville community. Support from community partners helps expand access to youth development, wellness, and family programming while advancing the YMCA's long-term vision for a new, fully accessible community campus.

Community Builder – \$1,000

Businesses at this level help strengthen access to YMCA programs and services for local families.

Benefits include:

- Listing on the YMCA website as a community supporter
- Recognition in select YMCA communications
- Social media acknowledgment
- Supporter window decal upon request

Neighborhood Partner – \$2,500

Neighborhood Partners help expand opportunities for youth, families, and community wellness initiatives.

Benefits include:

- All previous benefits
- Business name listed in annual donor recognition materials
- Recognition at one community event
- Invitation to select YMCA community gatherings or donor events

Community Champion – \$5,000

Community Champions provide critical support for programs that strengthen the social fabric of Somerville.

Benefits include:

- All previous benefits
- Expanded recognition in select YMCA communications
- Recognition on select event signage
- Business name listed on community gym banner

FOR SOCIAL RESPONSIBILITY

Visionary Partner — \$10,000

Visionary Partners play a meaningful role in helping the YMCA expand community impact and advance the new YMCA campus project.

Benefits include:

- All previous benefits
- Recognition connected to a YMCA program, initiative, or event
- Invitation to redevelopment project updates and community briefings
- Enhanced visibility in select campaign and community materials

Community Impact Partner — \$25,000+

Community Impact Partners are recognized as key supporters helping shape the future of the Somerville YMCA and its next generation of community impact.

Customized recognition opportunities may include:

- Special recognition connected to the redevelopment project
- Event sponsorship opportunities
- Enhanced community visibility
- Customized employee engagement opportunities
- Invitations to project milestones and leadership events

We would welcome the opportunity to customize partner packages that align with a company's philanthropic priorities, employee engagement goals, and community interests.
